"This hilarious variety show is chock-full of one-liners, wintertime puns, and even a few knock-knock jokes! Plenty of parts allow you to show off oodles of young actors, or combine roles for just a select group of comedic kids. Silly skits include a pair of wisecracking reindeer, a snowflake ballet class, "Freeze-Whiz" (everyone's favorite game show), and a directionally challenged family of geese. It's a breeze to put together—just stage the scenes around your regular choral formation. Featuring two-part music, appropriate for grades 4 and up. 30 minutes of bad jokes and belly laughs! Book is 100% reproducible." -publisher's website.
